About Me

Hi, I'm Yaashvi. I help students enjoy music, build confidence, and learn piano, theory, and conducting step by step. My goal is to make learning clear, practical, and fun.

Teaching Style

I focus on understanding music, not just playing notes. My lessons help you build strong foundations, listening skills, and confidence, so you can enjoy music, interpret pieces, and grow independently.

What You Will Learn

- Piano (Western classical) → Play pieces you love confidently

- Music theory & ear training → Understand music deeply, not just notes

- Conducting choirs & orchestras → Experience leading and performing with others

- Developing ensembles → Learn collaboration and musical teamwork

- Interpretation & expression → Bring your own voice to every piece

Musical Education

- B.A. Music (Classical), Middlesex University, London → Strong foundation for student learning

- Diploma in Higher Education in Music, KM Music Conservatory, Chennai → High-level training shared in lessons

- Conducting Mentorship & Workshops with Charlotte Corderoy, Alice Farnham, Daryl Griffith, Dr. James Bunch → Professional techniques brought into student teaching

Experience

- Conductor, City Montessori School, Lucknow → Bringing professional ensemble experience to students

- Co-Director & Conductor, Middlesex Chamber Orchestra, London → Guiding students with real-world performance insights

- Concert for Friendship, Chennai → Sharing techniques from professional concerts with learners
